Everybody Gets to Lead!

Hmmm, Dick is from Missouri. He must have read "Tom Sawyer". I seem to remember that Tom managed to get his buddies to whitewash the fence while he supervised. Nobody has ever said that Dick came up short when it came to brains (or musical talent for that matter).

Here are the Leaders for this Concert

THE CAROLINA JAZZ SOCIETY was founded in 1958 to enjoy Dixieland Jazz, one of America's original art forms

And some wise person said a picture is worth a thousand words. Well here's a picture that says more about the members or our band than ten thousand words.

Doug Graham enjoys Aletha Jacobs keyboard wizardry

Be a millionaire for a day

It has also been said that music is worth 1000 pictures (Great jazz is worth much more). If a picture is worth 1000 words and music is worth 1000 pictures, then:

Music = 1000 pictures x 1000 words/picture. Music = 1,000,000 words. Come to the concert and see if you agree.
